

THIEF RIVER COLLECTION 2008

THE COLLECTION – The first phase of the Thief River Collection consists of 8 bed linen ensembles to be introduced at the High Point Market in April 2008. New ensembles will be added each Fall and Spring.

PRODUCTION AND MATERIALS – The Thief River Collection is designed and sewn to your specifications in the USA. Fabrics used in the collection originate from both imported and domestic sources.

CATALOGS – Printed catalogs are available at no charge to qualified customers. The catalog includes a current price list.

SWATCHES – Swatch cards are available for purchase at a nominal cost.

FABRIC BY THE YARD – Fabrics used in our ensembles are generally available for purchase by the yard. The minimum fabric purchase is 5 yards.

CUSTOMIZING – 1) You may customize your order by choosing which ensemble components you wish to purchase and in what quantity. 2) The standard bed skirt drop is 18". You may customize the bed skirt drop up to 25" for an additional charge of \$35. 3) Fabric substitution or use of COM fabrics is not permitted.

SIZES – The Thief River Collection Price List provides pricing in Queen and King sizes. Twin, Full and California King pricing is available on request.

LARGE ORDERS – For customers working on projects requiring 25 or more identical bed sets, an extensive set of custom design options are available. Should your project require more than 100 sets, we can reduce your cost considerably with overseas manufacturing.

FILLERS – Feather-down pillow forms are standard and included in the item price. Down fillers/comforters are available for purchase.

COORDINATING SHEETS – Magnificent 350TC and 600TC Egyptian cotton sheets imported from Italy are available to coordinate with your Thief River Collection ensemble. See the Price List for sizes, colors and prices.

WINDOW PANELS – A wide range of window panels from 84" to 120" lengths is available to coordinate with your Thief River Collection ensemble.
